

EXCITING CHANGES TO YOUR GPFS MUSIC LIBRARY

by Cheryl Thompson-Merrill, GPFS Librarian

The GPFS music library is an incredible resource for our members, and we want to make it affordable and convenient for you to access this resource from your home. Coming soon, our website will have a more user-friendly list of our sheet music collection so you can easily peruse our expansive library. When you request your music from the librarian, you will no longer need to pay a deposit, and will have the option of free mailing. Music will arrive conveniently at your door and a prepaid return shipping label can be requested when you mail it back to us. It is the Board's hope that these changes will help eliminate logistical and economic barriers to access. More details will follow as we continue to update our website. Looking ahead! Watch for reviews of GPFS library sheet music in future issues of this membership newsletter.
